NOTE 1.

The company commander will have add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other persons having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. l.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

For 1200 Regulations, Ed. 1891.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, catarrhs, ulcers, or any chronic disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

INSTRUCTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge soldiers may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, and the soldier is furnished with the proper final statement in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

Oranville Nov 11 1864
Col Thos B. Farleigh
Military Commander.
Oranville Ky.

There is a
young man by the name
of James B. Clark who is a
private at Oranville. Or he has
been sent to Lexington for
trial. Under a charge as
I understand of deserting
the 8th Ky Cavalry. If this is
the charge it is wrong and
unfounded. Clark did attach
himself to one of the Companies
in ~~prosecution~~ of formation while
the 8th Cav. was being raised.
before the organization of the
Regiment however. And
prior to the mustering of any
of the Companies. The Company

He was with together with some
others were ordered to charge
upon the enemy concealed
in a field and woods. The
young man was among
the rank was the charge and
he and a few others went
right into the midst of the
enemy and were captured
black was paroled by the
enemy - and returned to
Henderson Co. - Then the next
evening he was mustered there
was a very large force
of companies and men -
black was not mustered
nor did he receive any
pay - So if I am correctly
informed as to the charge
against him, he is innocent
of T. and should be released
He is as brave a boy
as is to be found - and

Riverton, P. M.
Late Col 8th Regt Cal.

Encloses letter from James
Clark and makes statement
in his (Clark's) case, concern-
ing his muster-in to the
Service.

Respectfully referred to Major
Pleasure for more information
than is reported

By Order of
Col. C. B. Fairbairn
26th Regt. Cal.
James W. M. Arthur
Capt. J. E. Ch.

The enclosed letter from James
Clark corresponds with my
recollection of the facts.

I do not think Mr Clark ever
~~was~~ mounted in to service.

~~He~~ we can draw from. But whether
he drew arms or else things I
cannot say.

The regiment (8th Ky Cav) was
mounted rapidly and sent
some small number of horses
was mounted in.

Mr Clark was captured by the
Rebels under Colonel Johnson
before mounted and released on
parole. He felt some relief
about being mounted under the
circumstances and having
more than a sufficiency of arms
to make a weapon. But he
was alone by himself.
I take the facts from personal recollection
but there may be other facts in the case
which I do not know. P. H. P. Printer

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Ed. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

INSTRUCTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the liability to discharge entitled men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, and that the soldier is furnished with the proper final statement in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

ARMY OF THE UNITED STATES

CERTIFICATE

OF DISABILITY FOR DISCHARGE.

Joseph V. Brown of Captain Isaac
Langston Company, (C) of the Eighth Infantry Regiment of United States
Artillery was enlisted by Capt. Isaac Langston Minuteman
the Eighth Regiment of Hybrid Artillery at Camden
on the fourth day of August 1862, to serve one year; he was born
in Massachusetts in the State of Massachusetts is thirty four
years of age, five feet ten inches high, dark complexion, black
dark hair, and by occupation when enlisted a farmer. During the last two
months said soldier has been unfit for duty 10 days. The said Soldier
was of delicate Constitution, The night
scouting & hard traveling has had the
tendency to aggravate his case, and
in my opinion he ought to be discharged
 STATION: Russellville Ky
 DATE: April 1st 1863

Isaac Langston Capt
 Commanding Company.

I CERTIFY, that I have carefully examined the said Joseph V. Brown of
 Captain Isaac Langston Company, and find him incapable of performing the duties of a soldier
 because of General Physical debility of which said soldier
has been laboring for the last four months and in my
opinion he is totally unfit for the service because of
excessive consumption. It is my opinion to believe that
he will be able to resume his duties during the course of his
entitlement.
